Sung by: Stephin

Key: F Major

Genre: Lovecraftian Lament

Listen for: Roland TB303 farty bass sound, non-swung backing vocals (also in "My Sentimental Melody")

I linger here
Your ring upon my finger, dear
And sing 'til dawn
The song of you and me
And what and why

For time is all
I have to keep
Between these walls
And half-asleep
The days go by
A million little nights
And days go by
And I don't mind

Parades go by
So many beautiful parades go by
Leave me behind

I'll sit and stare
How could I venture anywhere
And let the centuries fall where they may
But never die

For I have loved
And so I lost the world above
Beyond the moss
The days go by
A million little nights
And days go by
And I don't mind
Parades go by
So many beautiful parades go by
Leave me behind

The days go by
(The days go by)
And I don't mind

Parades go by
(Parades go by)
Leave me behind
